

Material Safety Data Sheet

Section 1

Contact Name & Address:

American Polymer Standards Corporation,
8680 Tyler Blvd., Mentor, OH 44060

Emergency Telephone No. :

(440) 255-2211

Product Name: Dextran**Synonyms:** DXT, D, Polysaccharide, Glucose Polymer**CAS #:** 9004-54-0**Formula:** $[C_6H_{10}O_5]_n$ **HMIS RATING:****Health:** 1**Fire:** 1**Reactivity:** 0**Personal Protection:** E

Section 2 (Physical Data)

Physical Appearance: Powder, Solid**Odor:** Phenolic-Like (SLIGHT)**Boiling Point:** Not Available**Melting Point:** Not Available**Critical Temperature:** Not Available**Specific Gravity:** Not Available**Vapor Pressure:** Not Available**Vapor Density:** Not Available**Volatility:** Not Available**Solubility:** Soluble in Water

Section 3 (Fire & Explosion Hazards Data)

Flammability of Product: May be combustible at high temperatures.**Auto-Ignition Temp.:** Not Available**Flash Points:** Not Available**Flammable Limits:** Not Available**Products of Combustion:** Carbon oxides**Fire & Explosion Hazards in Presence of Various Substances:** Slightly flammable in presence of heat. Non-flammable in presence of shocks. Slightly explosive in presence of open flames and sparks. Non-explosive in presence of shocks.**Fire Fighting Media and Instructions:**

Use DRY Chemical Powder, Use water spray, fog or foam. Do Not Use Water Jet! Firefighters must wear SCBA & Full Protective Clothing.

Special Remarks on Fire & Explosion Hazards: As with most organic solids, fire is possible at elevated temperatures. Fine dust dispersion in air in sufficient concentration and in the presence of an ignition source is a potential dust explosion hazard.

Section 4 (First Aid Measures)

Eye Contact: Check for & remove contact lenses. Immediately flush eyes with running water for a least 15 min., keeping eyelids open. Seek medical attention.**Skin Contact:** After contact with skin, wash immediately with plenty of water. Cover irritated skin with an emollient. Seek medical attention is irritation develops.**Inhalation:** Allow the victim to rest in a well ventilated area. If not breathing give artificial respiration. If breathing is difficult give oxygen. Seek immediate medical attention.**Ingestion:** Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If large quantities of this material are swallowed, call a physician immediately. Loosen tight clothing.

Section 5 (Toxicology Information)

Route of Exposure: **Skin:** May cause skin irritation, May be harmful if absorbed through the skin. **Eyes:** May cause eye irritation. May cause allergic skin reaction. **Inhalation:** May be irritating to mucous membranes and upper respiratory tract. May be harmful if inhaled. **Ingestion:** May be harmful if swallowed.**Toxicity Data:** To the best of our knowledge the chemical, physical & toxicological properties have not been thoroughly investigated.**Toxic to Animals:** Not Available**Chronic Effects on Humans:** Not Available

Other Toxic Effects on Humans: Slightly hazardous in case of skin contact (irritant), ingestion and inhalation.

Section 6 (Stability & Reactivity Data)

Stability: Product is Stable at typical use temperatures **Instability Temp.:** Not Available
Conditions of Instability: Excess heat, dust generation, **Polymerization:** Will not Occur
incompatible materials.
Hazardous Decomposition of products formed under fire conditions: Not Available
Incompatibility with various substances: Reactive with oxidizing agents

Section 7 (Accidental Release Measures)

Spill: Use appropriate tools to clean spill. Store spilled material in a suitable container for disposal. Finish cleaning by spreading water on the contaminated area.
Disposal: Consult and follow local and regional authority requirements

Section 8 (Special Protection Information)

Personal Protection: Splash goggles, Lab coat, Gloves and Dust respirator. Be sure to use an approved/certified respirator or equivalent.
Exposure Limits: Not Available (AVOID BRATHING DUST)
Other Protective Equipment: Rubber Boots, Safety Shower and Eye Bath after clean up.
Other Precautions: Use protective clothing, gloves, safety goggles and mask. Wash thoroughly after handling.

Section 9 (Storage & Handling)

Handling: Use good housekeeping procedures. Normal measures for preventive fire protection.
Storage: Keep container dry and tightly closed. Keep in a cool place that is well- ventilated.

Section 10 (Transport & Regulatory Information)

DOT

Proper Shipping Name: None

Non-Hazardous for Transport: This substance is considered non-hazardous for transport.

Non-Hazardous for Air Transport: This substance is considered non-hazardous for air transport

USA Regulatory Information

SARA Listed: No

TSCA Inventory Listed: On the TSCA Inventory or exempt for TSCA Inventory requirements

Canada Regulatory Information

WHMIS Classification: Not controlled under WHMIS

DISCLAIMER: For R&D use only. Not for use in Food, Drugs or Cosmetics. The information contained in this MSDS is the most accurate and complete information available to us. APSC expresses or implies no warranty to the information provided and assumes no liability. The material covered in this MSDS is only provided in 250 milligrams or 1 gram quantities and is not expected to posse any health or environmental risks based on these quantities.
